

San Antonio Independent School District Selects NOVAtime

SAISD has selected NOVAtime Technology, Inc. to automate its time and attendance process for its permanent and part-time employees at multiple work sites

NOVAtime's Workforce Management system, NOVAtime 4000, provides government agencies with the ability to manage employees' time and attendance with accuracy; calculate job and labor data to control expenses; and prepare timely payrolls with exceptional reliability. With NOVAtime there are no recurring license fees, which contribute to the low cost of ownership for the system.

"NOVAtime's solution gives the district the necessary tools to enable our staff to accurately track time for more than 10,000 employees."

"San Antonio Independent School District was looking for a time and attendance solution to help standardize our timekeeping processes district wide, and to make timekeeping activities throughout the district more efficient, with less manual effort," said Larry Garza, Sr. Executive Director of Financial Services for SAISD. "NOVAtime's solution gives the district the necessary tools to enable our staff to accurately track time for more than 10,000 employees. We are excited to be partnering with NOVAtime and look forward to working with their team."

"We are delighted that San Antonio ISD chose NOVAtime as its partner for this important project," says Frank Su, President and CEO of NOVAtime. "With NOVAtime, they'll not only be able to improve the district's time and attendance processes, but they will also see an increase in employee satisfaction. Over the past two years, NOVAtime has been focused on delivering a solution and support model that meets the unique requirements of public sector. SAISD's decision to partner with us validates our effort and long-term strategic view of this market. We thank the SAISD Board and Staff for the confidence they have put in us."

NOVAtime's public sector partner, Government Software Solutions, provided assistance in responding to the district's solicitation and was engaged throughout the procurement and contract process. "We are very happy to be partnering with NOVAtime in the public sector and to be able to assist with such a strategic and high profile government agency in Texas. We look forward to working closely with NOVAtime and its reseller community as we expand our presence in the Federal, State and Local Government marketplace," says Ty Hall, President of Government e Software Solutions.
