

NOVAtime participated in the Society of Human Resource Managers (SHRM) Exhibit in San Diego between June 19 and June 21, 2005

A great show with great exposure! NOVAtime participated the 57th Annual SHRM Conference and Exposition in San Diego, and shared great features in NOVAtime's time and attendance solutions with many Human Resource and Payroll professionals.

MONTEREY PARK, CALIF., June 22, 2005 — NOVAtime, (www.novatime.com), an innovative technology company that develops time and attendance and workforce management software, attended as an exhibitor in the 57th Annual Society of Human Resource Managers (SHRM) Conference and Exposition in San Diego held between June 19th and June 21st, 2005.

NOVAtime was on display with our 20' booth, and we had a strong presence. SHRM had a turnout of over 12,000 attendees and 750 exhibitors, and we were up for a long and busy show. Many payroll and HR personnel from around the country were in attendance to listen to guest speakers, continue their payroll education and learn more about companies like NOVAtime.

Many people stopped by having heard of NOVAtime and the quality of product NOVAtime develops. Some came to get contact information, some stopped by to inform NOVAtime of RFP's they will be sending, while others wanted to have someone contact them or get additional information.

We learned from attending SHRM that organizations are starting to recognize the NOVAtime brand name and 3rd party solution providers are approaching us because of the tremendous job that NOVAtime and its business partners all had done over the last 6 years.

About NOVAtime

With corporate offices located in Monterey Park, California, NOVAtime is a leader in integrating time and attendance systems with a company's human resources and payroll. Known for their scalable software technology, many of the best-managed companies in the world have chosen NOVAtime as the preferred time and attendance and workforce management software provider.
