

## **Fairview Fellowship Home Improves Productivity Using NOVAtime's Time and Attendance / Workforce Management Solution**

*Fairview Fellowship Home saves money and gains control with their NOVAtime Time and Attendance / Workforce solution.*

Monterey Park, Calif. ([PRWEB](#)) December 27, 2007 -- NOVAtime, ([www.novatime.com](http://www.novatime.com)), an industry leader in providing organizations with state-of-the-art time and attendance solutions that is fully integrated with various time clocks and time clocks announces that Fairview Fellowship Home saves money and gains control with their NOVAtime Time and Attendance / Workforce Management system.

Fairview Fellowship Home has been serving Northwest Oklahoma with some of the finest accommodations for seniors in the state of Oklahoma since 1961. It is a 126-bed skilled nursing facility with an additional 36 independent apartments. Using NOVAtime, Fairview Fellowship Home has more time to focus on maintaining a safe, healthy and happy lifestyle for their residents.

Fairview Fellowship Home use NOVAtime's biometric workforce management solution to manage their employees.

Some of their major savings and benefits are: (1) Using the biometric hand readers, they were able to eliminate and address the issues of lost or forgotten badges. Their employees' hands are their badges. (2) Using the NOVAtime Monthly Staffing Report, they are able to save 15 to 20 hours every month in filling out the government-mandated Quality of Care report. On a monthly basis long term care (LTC) admin must turn in a report illustrating the number of RN's, LPN's and other health care staff members by shift segments to make sure that they have the proper amount of coverage based on their patient census for government reimbursement. (3) Gets better control and visibility of their overtime spending by scheduling employees appropriately and reviewing their actual work hours with many great reports provided in the NOVAtime system.

Bob Dover of Compu-Time Corporation stated, "[The NOVAtime system](#) is used by nearly one third of the nursing homes and long term care facilities in the state of Oklahoma, all proudly serviced by Compu-Time Corporation. Our customers' return on investment is amazing."

Other great features in used at Fairview Fellowship Home and most of the nursing homes and LTCs are the ability to calculate shift and weekend differentials, flexible sort options on the NOVAtime report engine, meal deduction parameters and the ability to export to many different payrolls bridges.

Many nursing home facilities all over United States also use the NOVAtime's time and attendance solution to manage their workforce. For more information on how to improve the productivity at your nursing home and/or LTC facilities, please contact NOVAtime for the nearest authorized reseller.
