NOVAtime announces its participation in the 30th Annual Congress of the American Payroll Association (APA). During the conference, NOVAtime will showcase its updated, powerful Workforce Management solutions to Human Resource and Payroll professionals.

Diamond Bar, CA ([PRWEB](http://www.prweb.com)) May 01, 2012 -- Today NOVAtime Technology, Inc. (<http://www.novatime.com>), a forward-thinking Workforce Management solution development company, announced that it will [participate in the American Payroll Association \(APA\) Congress in Orlando, Florida, between May 7th and May 9th, 2012](#). The company plans to unveil its new user interface (UI) in the [NOVAtime 4000 Time and Attendance / Workforce Management solution](#).

The APA's Annual Congress is the world's largest payroll, accounts payable, and finance Expo. It offers exceptional training and a variety of educational topics for many payroll and human resource professionals. Payroll and HR personnel from around the country will attend the tradeshow to listen to guest speakers, continue their payroll education, and learn more about products and solutions provided by companies like NOVAtime.

NOVAtime will unveil its latest version of the [NOVAtime 4000 Software-as-a-Service \(SaaS\) solution](#), updated with a new look and feel. "The updated NOVAtime 4000 is phenomenal in-terms of features and performance. It has been enhanced with improved usability and is relatively lighter and faster to operate. NOVAtime 4000 was revamped in native HTML and CSS3, so it has improved support across modern desktops and mobile browsers. NOVAtime 4000 now works even better in Android tablets and iPad," says Brian Harris, NOVAtime's Vice President of Client Services.

[NOVAtime will be on display at Booth #324](#). "The annual APA congress is an extraordinary payroll event with great exposure. We are excited to have an opportunity to show Payroll executives and Human Resource professionals how our state-of-the-art push technology hardware solutions and NOVAtime's Time and Attendance / Workforce Management solutions can be used to protect their companies' bottom line and allow them to proactively manage their workforces," says Frank Su, NOVAtime's CEO and Founder.

"Our solutions are load balanced and the application security is certified by a third party. It is truly scalable to accommodate major corporations and government agencies. In today's challenging times, our hosted software-as-a-service (SaaS) model offers the best value to help companies to control their labor costs. Whether your company prefers to purchase a system or use NOVAtime's hosted software-as-a-service (SaaS) model, we have a proven solution that can help you to manage your workforce efficiently," says Mr. Harris.

Established in 1999, Over 10,000 organizations around the world benefit from NOVAtime Workforce Management Solutions.
