

## **NOVAtime Technology, Inc. Held the First User Conference at the Bellagio Hotel, Las Vegas and Showcased its new NOVAtime Live product on Microsoft's Surface tablet**

*NOVAtime successfully hosted its first User Conference between February 12 ~ 14, 2013 at the Bellagio Hotel in Las Vegas.*

([PRWEB](#)) February 22, 2013 -- Diamond Bar, CA (PRWEB) February 22, 2013 -- NOVAtime Technology, Inc. (<http://www.novatime.com>), a forward-thinking workforce management solution development company that continues to apply the latest technology advancements to its suite of Time and Attendance/Workforce Management products and services, today announced it has successfully hosted their first User Conference between February 12 ~ 14 at the Bellagio Hotel in Las Vegas.

The NOVAtime User Conference attendees enjoyed a virtual NOVAtime facility tour video, while meeting many of the NOVAtime team members that implement and support their installations. They learned about [NOVAtime 4000 Workforce Management solutions](#) and the functions and features added in 2012, as well as NOVAtime's future development roadmap. Attendees also enjoyed a discussion about wage and hour laws from guest speaker, [Alfred J. Landegger, Esq., a senior partner at LANDEGGER | BARON | LAVENANT | INGBER](#), who specializes in the employment labor law and workers compensation.

During the conference, Frank Su, Founder and CEO, demonstrated the new NOVAtime Live on Microsoft's Surface tablet, which showcased complete mobility and live dashboard update features on Windows 8 platform devices. "We had a great time at the conference. I'm very impressed. Wonderful speakers... The demonstration of NOVAtime Live on the Microsoft Surface was absolutely incredible," commented Gay Galgano, Director of Payroll at Deluxe Entertainment.

George A. Kopa, Sr. Program Director, IT at [Heritage Auction Galleries](#), demonstrated how they fully utilized the NOVAtime Enterprise Web Services (N.E.W.S.) to integrate with Heritage Auction's systems seamlessly and build customized end user functionality using real-time data from the NOVAtime 4000 system.

"It's really good to meet the other users and learned from each other. The interaction with other users was very helpful. The program was great – from the labor law component to new features coming in the future, having users to provide their suggestions and learning about some features that are already in the system," said Kathy Meyer, Payroll Manager at Pathpoint. Ms. Meyer added, "I had a great time at the banquet and met lots of wonderful people."

"The conference was very informative. It was a very pleasant experience, and we got to suggest new features that will help us be more productive," said Tatjana Projkowska of Gerawan Farming Inc.

Brian Harris, Vice President of Client Services, concluded, "This conference was the perfect opportunity for our customers to meet, share their experiences, and learn from each other. It was also an opportunity for them to witness the passion and energy of the NOVAtime team that continues to innovative advancements within the workforce management/time and attendance industry."

About NOVAtime

Established in 1999, NOVAtime has helped over 10,000 organizations around the world benefit from their use of NOVAtime Workforce Management solutions. With corporate offices located in Diamond Bar, California, NOVAtime utilizes the latest advancements in technology for its complete suite of Workforce Management solutions. This has enabled NOVAtime to serve companies with [complex data collection requirements, including badge/biometric time clocks, browser-based data collection, telephone features, PDA scanners](#), etc. NOVAtime offers solutions for scheduling, labor allocation, job costing, work-order management, and cost center allocation. These solutions can be delivered through two supported software platforms: a licensed client-server application with web capabilities, and a true software as a service application with a multi-tiered, multi-tenant infrastructure.
