

NOVAtime Announces Partnership with Ellucian, Inc.

NOVAtime Technology, Inc. is proud to announce its new partnership with Ellucian, Inc., with a plan to bring an integrated, complete, and cohesive system to higher education institutions worldwide.

Diamond Bar, Calif. ([PRWEB](#)) December 15, 2015 -- NOVAtime Technology, Inc. (<http://www.novatime.com>), a leading provider of enterprise Time and Attendance / Workforce Management solutions, is proud to announce its new partnership with Ellucian, Inc., with a plan to bring an integrated, complete, and cohesive system to higher education institutions worldwide.

Founded in 1999, NOVAtime is an established leader in the time and attendance / workforce management industry, including [government and educational sectors](#), with over 16,000 clients worldwide, from small businesses with as few as 10 employees at a single site, to enterprise companies with as many as 100,000 employees across multiple locations.

Ellucian, for over 40 years, has provided a wide range of technology solutions and services to higher education institutions, now serving 2,400 institutions and 18 million students in 40 countries around the globe.

NOVAtime believes this partnership will provide many real and tangible benefits for higher education organizations that are seeking a comprehensive time and attendance / workforce management system.

One of these tangible benefits, once completed, would be true integration between the two companies' systems. NOVAtime's latest workforce management software, NOVAtime 5000, already includes time, attendance, scheduling, accrual, leave, and expense features and functionality. NOVAtime plans to integrate NOVAtime 5000 with Ellucian's Banner software, providing a powerful and intuitive system for higher education institutions to effectively and efficiently manage their entire workforce.

NOVAtime President and CEO Frank Su released a statement: "NOVAtime is excited to announce and begin its partnership with Ellucian. We believe higher education can really benefit from the plans that we have in store."
