

NOVAtime to Demonstrate its NT55M Enterprise Smartphone at the Gulf Coast Symposium

NOVAtime announces its participation in the upcoming Gulf Coast Symposium conference taking place May 13–15 in Houston, Texas.

Diamond Bar, California ([PRWEB](#)) April 26, 2016 -- NOVAtime Technology, Inc. (<http://www.novatime.com>), a leading provider of enterprise Time and Attendance/Workforce Management solutions, announced today that it will demonstrate its latest workforce management offerings at the upcoming Gulf Coast Symposium on HR Issues, which will take place May 13–15 at the NRG (Reliant) Center in Houston, Texas.

Hosted by the HR Houston Human Resource Management Association, the Gulf Coast Symposium on HR Issues is a collaborative place for HR professionals to be educated, motivated, and inspired. Spanning three days, this year's conference will feature over 170 sessions covering a range of HR topics, including business management and strategy, employment law and legislation, international HR, leadership and personal development, organizational development and training, talent management, and total rewards.

NOVAtime will unveil the NT55M smartphone at the symposium. A touch-centric device with a built-in 2D scanner, the NT55M is an ideal hardware solution for a mobile workforce. According to Eve Travelstead, Enterprise Account Manager at NOVAtime, "We're excited to have the opportunity to introduce the NT55M to Symposium attendees. We think they'll love the NT55M's large color touchscreen and pocket-sized design."

Other NOVAtime solutions that conference attendees will be able to learn about are several data collection devices especially designed for the growing mobile workforce, including NOVAtime's NT65M mobile clock with barcode scanner and native mobile apps for Apple iOS, Android, and Windows platforms.

NOVAtime will be at booth 918 in Exhibit Hall D at the Gulf Coast Symposium.
