

NOVAtime Announces Upcoming Live Webinar: OSHA's Final Rule – Tracking of Workplace Illnesses and Injuries

NOVAtime invites business owners and HR professionals to register for its live webinar: OSHA's Final Rule - Tracking of Workplace Injuries and Illnesses

DIAMOND BAR, CALIF. (PRWEB) June 30, 2016 -- NOVAtime Technology, Inc (<http://www.novatime.com>), a leading provider of workforce management solutions, announced today that it will hold a complimentary live webinar on September 27th, 2016 at 11:00 a.m. Pacific Time. This valuable webinar, titled [OSHA's Final Rule – Tracking of Workplace Injuries and Illnesses](#), will be headed by Muhannad Malki, Vice President of InTouch Insurance Services, and will focus on examining OSHA's recently released final rule on tracking workplace injuries and illnesses.

This webinar will not only focus on the content of the rule, but also how it could potentially impact businesses as a whole, and their public relations in particular. The topics covered in this webinar include how this final rule differs from past OSHA injury and illness tracking policies, when this final rule will go into effect for different types of businesses, and also potential unintended consequences that this new rule may have on public relations. While OSHA's Final Rule may cause some difficulties for employers and HR professionals, NOVAtime is dedicated to mitigating the issues this new rule may create.

NOVAtime continually strives to offer valuable webinars on the most present issues facing employers and HR professionals. Brian Meharry, Vice President of Business Development, stated "We at NOVAtime are dedicated to providing ongoing education on the latest laws and regulations affecting the workplace". To further this goal, NOVAtime is also offering webinars on FMLA and Intermittent Leaves, and a Mid-Year Law Review in the coming months. Stay tuned to NOVAtime's [event page](#) for more information.
