The editorial team at CIO Applications, names NOVAtime Technology, Inc. as one of the Top 25 technology companies in Governance, Risk, and Compliance (GRC) in 2017.

DIAMOND BAR, Calif. ([PRWEB](#)) October 13, 2017 -- NOVAtime Technology, Inc. (<http://www.novatime.com>), a leading provider of enterprise Time and Attendance / Workforce Management solutions, [was named as one of the Top 25 technology companies in Governance, Risk and Compliance \(GRC\) in 2017](#). The list was compiled by CIO's editorial team after an extensive worldwide research was conducted of leading GRC technology solution providers.

CIO Applications magazine has an editorial focus of spotlighting innovations in technology. Their core focus is to assist businesses and customers by relating applicable technological trends within the industry. CIO consists of a professional team of in-house writers who comb the high tech sphere to bring relevant information from industry leaders to its reader base of decision makers.

Governance, Risk, and Compliance (GRC) is often overlooked as a seamless function within an organization, but complex GRC solutions require sophisticated solutions. When considering GRC, a company must balance cost-effectiveness, sustainability, reliability, robustness, and ease of implementation/use while adhering to federal laws. For example, in response to a number of recent major corporate scandals, the Sarbanes-Oxley Act of 2002 was enacted to define how public corporations should comply with the law. [CIO's Top 25 GRC](#) highlights those companies that are able to maintain business operations while also prioritizing compliance and risk management.

NOVAtime has achieved the rigorous [Plynt Certification](#) since 2008, which is one method in which the company prioritizes GRC. "NOVAtime is honored to be selected as one of CIO's Top 25 businesses in Compliance, Risk, and Compliance," noted Brian Harris, Vice President of Client Services. "Our automated compliance processes are seamless to our customers, which is the way it should be. We value the trust of our customers, and this award affirms our priorities."

NOVAtime is headquartered in Diamond Bar, California, and has become the leader in integrating Time and Attendance Management with Human Resource and Payroll systems. Known for its scalable and leading-edge software and hardware technology, NOVAtime has been selected as the preferred Time and Attendance / Workforce Management solution provider by many of the best-managed companies in the world.
